

OxML

OXFORD MACHINE LEARNING SCHOOL 2026

MLX HEALTH & BIO 2026

10 – 13 July 2026

CERTIFICATE OF ACHIEVEMENT

Awarded to

Jiayuan Chen

For successfully completing the MLx Health & Bio 2026 programme and its assessments.

This certificate is awarded in recognition of the successful completion of an intensive 20-hour programme, together with the successful completion of the associated assessment.

In-depth exploration of how the latest advancements in representation learning and generative AI are helping solve critical challenges across healthcare and biomedical sciences, research, and technology.
