

OxML

OXFORD MACHINE LEARNING SCHOOL 2026

MLX REPRESENTATION LEARNING & GENERATIVE AI 2026

15 – 18 July 2026

CERTIFICATE OF ACHIEVEMENT

Awarded to

Jiayuan Chen

For successfully completing the MLx Representation Learning & Generative AI 2026 programme and its assessments.

This certificate is awarded in recognition of the successful completion of an intensive 18-hour programme, together with the successful completion of the associated assessment.

Discover the latest advancements in representation learning, and stay informed about the continuous evolution of generative AI and emerging foundation/frontier models.
